February 2025

Published by: Morwenstow Parish Council

HAMLETS

The monthly meeting of the Parish Council was held on Wednesday 15th January 2025. Attended by: Cllrs. J Hobbs (Chair) J Phipps, K Boundy, N Steer, K Jones, J Payne, G Worden, R Savage, the Clerk and one member of the public. Apologies were received and accepted from Cllr. C Myers & Cornwall Cllr. S Tilbey.

The usual maintenance matters were covered. There is an ongoing issue at David's Lane with stone being continually washed out. Seven policies were reviewed by the Council. It is now time to seek formal quotations from the interested parties for the 2025 maintenance of the various community assets. The Clerk gave a report of the North Cornwall Community Area Partnership meeting that took place in December. A report was also given of a recent election training session. Local elections are taking place on Thursday 1st May 2025 – there will be full information available in due course. The Health & Wellbeing Project is partly complete. The Pump Track was opened just before Christmas – it is receiving much use and there are many happy bikers/skaters/scooters/riding it...children are even running around it! The multi-use games area (MUGA) has been completed in the most part; but the awful weather has delayed the top surface thus far.

Five planning applications were received for consideration: PA24/08705 | Proposed detached workshop/garage. | East Gooseham Farm Morwenstow Bude Cornwall EX23 9PG. MPC Comments: Morwenstow Parish Council have no objections to the proposal. PA24/08706 | Listed Building Consent for proposed detached workshop/garage. | East Gooseham Farm Morwenstow Bude Cornwall EX23 9PG. MPC Comments: Morwenstow Parish Council have no objections to the proposal. PA24/07400 | Proposed Agricultural Shed and formation of new access. | Stursdon Farm Coombe Valley Bude Cornwall EX23 9HU. MPC Comments: Morwenstow Parish Council have no objections, but would welcome any screening that could be included. PA24/09226 | Change of use to retirement livery, equestrian use, proposed field shelter, temporary rural/equestrian worker's dwelling, formation of new parking area and associated works. | Land West of Valley View Morwenstow Bude Cornwall. MPC Comments: Morwenstow Parish Council now feel able to support this application; with having viewed the County Land Agents report. PA24/09154 | Part conversion of store and extension to form new lobby and toilet facilities. | Community Centre Shop Morwenstow Bude Cornwall EX23 9SL. MPC Comments: Morwenstow Parish Council have no objections to the plans; but feel that the internal configuration could be better utilized if a cohesive approach had been taken. This could benefit all users of the Community Centre, for the best outcome.

No further applications were discussed. Please see the draft minutes in full on the website for further details of the meeting.

The next regular Parish Council meeting will be held on Wednesday 19th February 2025 at 7:30pm.

All are welcome to the meetings.

Sheridon Rosser (Mrs), Clerk to the Parish Council.

Did you know?

You can report many things directly online to Cornwall Council. It is particularly helpful if you can report road issues on here, this will trigger a quick assessment for any repairs from Cornwall Council.

<https://www.cornwall.gov.uk/report-something/>

Rural verge/hedge maintenance

(information taken from Cornwall Council factsheet).

We are now in hedge trimming season:

Who is responsible?

As the highway authority, Cornwall Council is responsible for the management of growth from the highway verge (excluding the A30 and A38 Trunk Roads, which are the responsibility of Highways England).

Growth into the highway from features such as Cornish hedges or trees on property boundaries is the responsibility of the adjacent land owner.

If growth is causing a safety concern the Council has the power to serve notice on the land owner if an informal approach is not successful. In the event it is deemed a hazard, then the council has the right to remove the growth without notice.

If you are requiring some maintenance to be carried out to your property that may have over hanging tree branches into the road for example; but you don't know who to ask.

Please contact Cllr. Julie Phipps for signposting help. (Contact details contained under the Editor section). Thank you.

From Rev Richard

We are well into 2024. And I reckon that now is good time to look back and give thanks for the past. I have been thinking recently of all those saints who chose to settle here in Cornwall, giving up home and family, to bring the Gospel of Jesus Christ to this land. You don't have to go far down the road until you meet a village named after a "St Somebody." They were called 'peregrini,' these wandering pilgrim saints. That is why the Church in Truro chose the Peregrine falcon as it's emblem. The Peregrine falcon is the fastest, most wide ranging and powerful of all falcons. It is a rare and beautiful bird; you can find it nesting on the sheer granite cliff faces surrounding our Cornish cliffs.

And so here we are today, following in the paths of those who walked before us. We too can be 'peregrini' people if we look around and open our eyes to the beauty of our Cornish land. For it is perhaps, in the rocky shore, the rolling farm land, the sea and sky; in the eyes of all we meet along the way, that confirms to me that in spite of all that we hear and see in the world which is not good, be that as it may, we of all people can tread with confidence and joy into the future. For the very land itself confirms that it is a place of possibilities, of challenges, and opportunities.

So, the message for this New Year is for us to look back and celebrate the past. To look forward with hope. To look upward with thanks and to look outward with love. Our land of Cornwall is a blessing for all of us to share.

February 2024

Institute Affairs

Skittle Alley

After a promising start, results in the league have been variable.

The B team are playing more consistantly than the A team, partly because they've had a more settled team. The A team has had injury and illness to contend with. One played fell on a radiator, cracked some ribs and hurt his back, but after weeks of physio is ready to play again. The cup team has done well in some competitions and hopefully will bring back a trophy at the end of the season.

Pot Black

Although unable to field a team in the snooker league this season, several wished to play on a regular basis. It is disappointing to see that the facilities provided have not been used as much as the committee had hoped. Hartland British Legion has only 1 table, the club are not open during the day , and yet the steward regularly takes away between £40 - £50 per week. I would be delighted to take £15 - £18 per week.

There is an old saying, Use it or Lose it.

The membership is still only £15 per year. Some younger players have shown an interest in snooker rather than playing pool. If 2 or 3 wishe dto learn about the game, some coaching can be arranged.

SAVE A LIFE TRAINING - AED & CPR - Friday 21st February 2025 - 7.00 p.m. start
Please ring Sharon Olde or Lainey (Elaine Cole) to book your places! See poster below for details.

As you may all be aware, Morwenstow now have defibrillators sited in Shop, Eastcott, Woolley, Gooseham and Cross Town, and one soon to be installed in Woodford.

This is a tremendous achievement since, Brad Olde, a local young fit 20yr old man, who had a cardiac arrest in 2015, and survived through life saving skills of CPR and emergency defibrillator.

We therefore felt it right to provide an **Awareness Day** on basic life saving skills for everyone from secondary school age and upwards . This will include, how and when to use a defibrillator plus Cardio-Pulmonary Resuscitation (CPR).

This will be presented by Jay's Aim, with video and hands on manikins to practice on. Plus a chance to get your blood pressure checked. You will also be encouraged to ask as many questions as possible.

Refreshments will be available

No booking necessary, however if you would like to give a donation to Jay's Aim, there will be pots provided. For any further information please call :

Sharon Olde on 07801997860 or
Elaine Cole on 07854847307

You will not get a certificate at the end of this training but more importantly, the knowledge which could **'Save a Loved One's Life'**.

DEC.2024

EAST YOULSTONE COMMUNITY BENEFIT FUND

**East
Youlstone**
Wind Farm Ltd

Fund Overview

The East Youlstone Community Benefit Fund, in Devon, has £15,000 available per year for community projects.

The Fund allows groups to apply for grants between £250 and £7,500.

There is one application round each year. The application closing date for 2025 is 26 March.

Project Purpose

Priority will be given to:

Eligible Organisations

Eligible Organisations, who can apply for funding include:

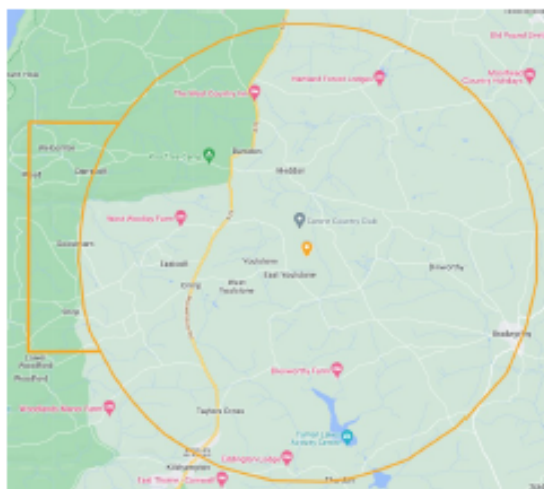

These organisations must have a minimum of three unrelated Directors, that also do not reside at the same address.

Applicants are required to have a written constitution, a set of rules, or a governing document and a bank or building society account, held in the name of the organisation, in place before applying for a grant.

Organisations that have already received grants from the Fund can apply for further grants each year.

Eligible Funding Area

Projects for which grants are requested must be located within the eligible area around the East Yowlstone wind turbines. View the interactive map and check the project location postcode, on GrantScape's website.

How To Apply

For full details about the fund and how to apply, visit GrantScape's website at:

<https://grantscape.org.uk/?p=1590>

If, after reading the full criteria on GrantScape's website and checking the map, you have any questions or would like to discuss a potential project, get in touch with the GrantScape team:
