Small Business Saturday – Free Parking

We've been asked, by our Parking Operations team, to advise you that Cornwall Council will be offering free parking across all Council pay-and-display car parks on Saturday 5th December 2026, in support of Small Business Saturday.

It is also confirmed that Truro's Park & Ride service will be free on the same day, allowing visitors to take advantage of both offers.

The initiative is intended to encourage residents and visitors to support our local high streets, independent retailers and businesses in the run-up to Christmas.

Parking will be free for the day, although motorists should be aware that any payments made in error will not be refunded.

The Council hopes this will provide a welcome boost to businesses across Cornwall during the festive period.
